PROPER CHURCH ETIQUETTE

Probably the most important duty that we each have as worshippers attending church Services is to do all that is in our power to see that a proper decorum and atmosphere is maintained so that all of the congregation is able to pray sincerely, peacefully and meaningfully.

It is with this fact in mind that we set forth the following guidelines:

Upon entering the Church, at all times, but especially during Services, an individual should remember that he or she is in the *House of God*. Reverence and good manners are required so as not to disturb those who are already engaged in prayer, but, even more important, as an expression of sincere faith and awareness of the presence of the Lord. No irrelevant conversations should take place, either in the *Narthex* or in any other part of the Church.

There are various parts of the Service during which no one should be moving about. Wherever a person happens to be at these moments, he or she should stop and stand reverently, until the proper time to proceed. These parts of the Service are:

1. During the Procession of the Priest & the Altar Boys with the Holy Gospel.
2. During the reading of the EPISTLE and the GOSPEL.
3. During the Cherubic Hymn & the Procession of the Priest & the Altar Boys with the Holy Gifts.
4. During the recitation of the CREED (in which the whole Congregation should participate).
5. During the Lord's Prayer (in which the Congregation should participate).
6. During the Se Ymnoumen & the prayers of the Consecration of the Holy Gifts.
7. During Holy Communion.
8. During the SERMON.
9. During the Dismissal Prayer.
10. During any special Services (Memorial Services, Processions, Prayers)
11. During distribution of the Antidoron.

One basic rule to follow is that, whenever the Priest is outside of the Altar either with the Censer of giving the Blessing, everyone should stand wherever they are.

According to actual Church Service procedures, each & every member of the Congregation is required to be seated in the pews at the beginning of the Service. It is only by leniency that anyone is allowed to enter the Church once the Services have begun. Thus this behooves us not to take undue advantage of his leniency.

Please remember that the Parish Council members are required to see to the order during Services, and everyone should follow their directions at all times.
