TIPS FOR PARENTS

1. Read aloud together with your child every day.

Make it fun by reading outdoors on the front steps, patio, at the beach or park. Also, let your children read to you. For younger children, point out the relationship between words and sounds.

2. Set a good example!

Parents must be willing to model behavior for their children. Keep lots of reading material around the house. Turn off the TV and have each person read his or her book, including mom and dad. Read this Article at:
